
Philips EasySpeed
Steam iron

Steam 20g/min;90g steam boost

Non-stick soleplate
Anti-calc
2000 Watts

GC1022

Fast, from start to finish

3 ways to speed up your ironing

This EasySpeed iron speeds up your ironing thanks to: triple precision tip, even heat distribution across the soleplate and continuous steam.

Comfortable ironing

- A fine spray evenly moistens the fabric
- Even steam distribution for efficient ironing
- Triple precision tip for optimal control and visibility

Longer lifetime

- Calc clean slider to easily remove scale out of your iron

Easily removes creases

- Steam boost up to 90 g for the most stubborn creases
- Continuous steam up to 25 g/m for good crease removal
- Non-stick soleplate coating
- Power up to 2000 W enabling constant high steam output

PHILIPS

Steam iron

Steam 20g/min;90g steam boost Non-stick soleplate, Anti-calc, 2000 Watts

GC1022/71

Highlights

Steam boost up to 90 g

The iron's 90 g steam boost enables you to easily remove even the most stubborn creases.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.

Continuous steam up to 25 g/m

Continuous steam up to 25 g/m for good crease removal.

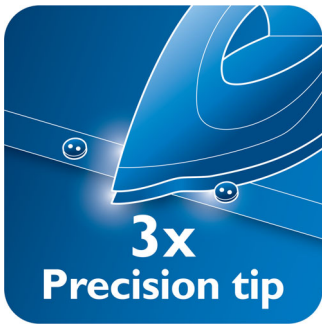
Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Even steam distribution

Thanks to the carefully crafted soleplate design, the steam is distributed evenly across the soleplate. This way you need less strokes to evenly moisten the garment and therefore less time to complete the ironing.

Triple precision tip



The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Power up to 2000 W

Power up to 2000 W enables constand high steam output.

Specifications

Fast & powerful crease removal

- Soleplate: Non-stick
- Continuous steam output: 25 g/min
- Steam boost: 90 g
- Spray
- Power: 2000 W
- Steam output
